

LAS VEGAS DOLOMITES 2026

Top-tier ski trip | Ski Safari | lodging at 2,050 m

Access to up to 1,200 km of ski runs

17/01-24/01/2026

Once again, I invite you to the breathtaking Dolomites – the most beautiful mountains in the world. This time, we're heading there in January, and our base will be the paradise of blue slopes: **ALTA BADIA**.

Bëgnodüs! – Welcome to the stunning Alta Badia, nestled in the heart of the Ladin Dolomites – a mountain range truly like no other. As part of the Dolomiti Superski network, Alta Badia offers everything a skier could dream of: slopes for every skill level, incredible views, and unforgettable alpine charm.

But Alta Badia is much more than just great skiing – it's wide-open landscapes, peaceful forests, fresh mountain air, and above all, warm Ladin hospitality.

Don't be fooled by the "blue slope" label – this area is anything but boring. Alta Badia is perfectly connected to the entire Dolomiti Superski region, and is home to one of the most iconic World Cup runs: Gran Risa. You'll also find fun parks, perfectly groomed pistes, and direct access to Sellaronda, Cortina / Cinque Torri, and Lagazuoi.

Whether you want to relax, improve your skills, or just enjoy winter at its best, the sunny, gentle slopes of Alta Badia offer the perfect base. With countless mountain huts, top-notch restaurants, and vibrant après-ski bars, this trip promises to be truly unforgettable.

Las Vegas Lodge is more than just accommodation – it's an experience

“Las Vegas” in San Cassiano isn’t just a hotel – it’s a place like no other. Its unique location, authentic alpine atmosphere, outstanding cuisine, and thoughtful design make it truly exceptional.

Originally a small mountain hut perched at 2,050 meters above sea level – above the upper gondola and chairlift stations – it has since been transformed into a modern mountain lodge with just 11 exclusive rooms, offering a 360° panoramic view of the surrounding Dolomites.

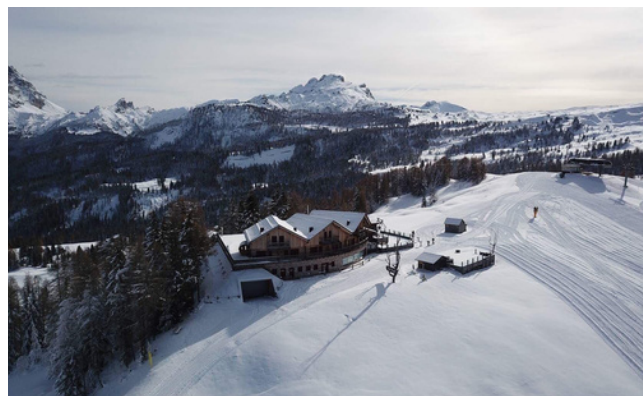

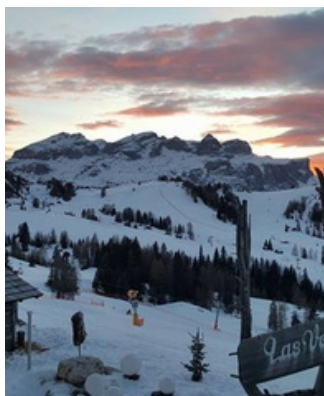

Wake up to perfect ski conditions, just steps from your room. Enjoy pristine, untouched slopes every morning right after breakfast. Throughout the day, take advantage of direct slope-side access, a lively après-ski bar with sun loungers, and unforgettable amenities like an outdoor sauna and hot tub at the foot of the majestic mountains.

And when the lifts close and the slopes go quiet, you stay behind – surrounded only by the silence of the mountains, star-filled skies, and breathtaking sunrises and sunsets.

Whether you're seeking adventure, active rest, or peaceful alpine escape, the spirit of Alta Badia and the magic of Las Vegas Lodge are waiting for you.

The hotel offers cozy and comfortable double and quadruple rooms, blending traditional Alpine charm with modern design. Some rooms feature private balconies, but all are finished with natural materials like wood and stone, creating a warm and inviting atmosphere.

On-site amenities include a ski room, Finnish sauna, outdoor jacuzzi, as well as a full-service bar, restaurant, and pizzeria – open throughout the day.

Our Program Includes:

- Welcome meeting on arrival day (Saturday, January 17)
- Daily group lunches at mountain huts or slope-side restaurants
- Optional ski and snowboard instruction with certified local instructors (pricing according to local rates)
- Optional ski safari tours in smaller groups led by Łukasz
- Optional full-day excursions to iconic destinations such as Cortina d’Ampezzo, Lagazuoi, Cinque Torri, and the famous Sellaronda and Grande Guerra circuits
